

ERFN ADVISORY: OFFICIAL SOCIAL MEDIA CHANNELS

April 26, 2023

IMPORTANT MESSAGE FROM CHIEF AND COUNCIL

As leaders of ERFN, we understand the desire of our members for regular updates, clear information and direction on important issues. We are working on a number of ways to improve the ways we connect with you.

At the same time, we see the harm that's being caused by certain channels that are presenting information out of context, spreading misinformation and often taking an inflammatory tone that does not support the values we strive as a community to uphold.

As a Council, we encourage our members to reach out. Call the band office, drop in for a coffee and please follow our official ERFN channels for accurate information and announcements.
